Nicholas E. Chimicles

is senior partner and Chairman of the Firm's Executive Committee. Mr. Chimicles is a 1970 graduate of the University of Pennsylvania, where he received a Bachelor of Arts Degree with Honors. Mr. Chimicles graduated in 1973 from the University of Virginia School of Law, where he was a member of the Editorial Board of the University of Virginia Law Review and was the author of several published comments. While attending law school, he co-authored a course and study guide entitled "Student's Course Outline on Securities Regulation," published by the University of Virginia School of Law. Upon graduation from law school, Mr. Chimicles joined a major Philadelphia law firm where he practiced for eight years and specialized in litigation including complex commercial, antitrust and securities fraud cases and served as principal or assistant trial counsel in several matters.

Mr. Chimicles has actively prosecuted major complex litigation, antitrust, securities fraud and breach of fiduciary duty suits. Most recently, Mr. Chimicles was lead trial counsel for a Class of investors in a six-week jury trial of a securities fraud/breach of fiduciary duty case that resulted in a \$185 million verdict. *In re Real Estate Associates Limited Partnerships Litigation*, No. CV 98-7035 DDP, was tried in the federal district court in Los Angeles before the Honorable Dean D. Pregerson. On November 15, 2002, the 10 member jury returned a unanimous verdict in favor of the Class (comprising investors in the eight REAL Partnerships) and against the REALs' managing general partner, National Partnership Investments Company ("NAPICO") and the four individual officers and directors of NAPICO. The jury awarded more than \$25 million in damages against all five defendants on Count I, the Section 14(a), 1934 Act, proxy fraud claim and more than \$67 million in damages against NAPICO on Count II for breach of fiduciary duty. On November 19, 2002, the jury returned a verdict of \$92.5 million in punitive damages against NAPICO. This total verdict of \$185 million was among the "Top 10" Verdicts of 2002, as reported by the National Law Journal (verdictsearch.com). The Court upheld in all respects the jury's verdict on liability as to both Count I and Count II, upheld in full the jury's award of \$92.5 million in compensatory damages, upheld the Class's entitlement to punitive damages (but reduced those damages to \$2.6 million based on the application of California law to NAPICO's financial condition), and awarded an additional \$25 million in pre-judgment interest. Based on the Court's decisions on the post-trial motions, the judgment entered in favor of the Class on April 28, 2003 totaled over \$120 million, \$91 million on Count II and \$30 million on Count I.

Mr. Chimicles has been a principal counsel in several major litigations that have resulted in precedent-breaking recoveries for classes of limited partners, in addition to the *Real Estate Associates Limited Partnership Litigation*, discussed above, Mr. Chimicles was a member of the Executive Committee in the *Prudential Limited Partnerships Litigation*, MDL 1005 (S.D.N.Y.), where the Class recovered \$130 million in settlement from Prudential, and other defendants. Mr. Chimicles was lead counsel in the *PaineWebber Limited Partnerships Litigation*, 94 Civ. 8547 (S.D.N.Y.) in which a \$200 million settlement was approved in mid-1997. As co-lead counsel in several litigations involving ML-Lee Acquisition Fund, L.P., ML-Lee Acquisition Fund II, L.P. and ML-Lee Acquisition Fund (Retirement Accounts) II, L.P. (C.A. Mr. Chimicles (together with partner Pamela Tikellis and financial specialist Kathleen Chimicles) negotiated settlements that resulted in more than \$30 million in cash and other benefits to be paid or made available to investors in the various funds. In litigation involving PLM Equipment Growth and Income Funds IV-VII, Mr. Chimicles (together with financial specialist Kathleen Chimicles) was instrumental in negotiating a settlement reached in 2001 that provides both monetary and equitable relief for the limited partners. In February 2002, the Superior Court of Marin County, California, approved the settlement of a case in which Mr. Chimicles was co-lead counsel, involving five public partnerships sponsored by Phoenix Leasing Incorporated and its affiliates and resulting in the payment of \$21 million in cash. (*In Re Phoenix Leasing Incorporated Limited Partnership Litigation*, Superior Court of the State of California, County of Marin, Case No. 173739).

Mr. Chimicles has represented limited partners who successfully have sought the liquidation of assets or the reorganization of the partnership. For example, in *In re the Mendik Real Estate Limited Partnership*, N.Y. Supreme Ct. No. 97-600185, Mr. Chimicles, as co-lead counsel, negotiated a settlement which provided for the prompt sale of more than \$100 million of the partnership's real estate assets. Additionally, as co-lead counsel, Mr. Chimicles, together with partner Pamela Tikellis, negotiated the settlement of a suit filed against the general partners of Aetna Real

Estate Associates, L.P., providing for the orderly liquidation of the more than \$200 million in that partnership's real estate holdings, the reduction of general partner fees and the payment of a special cash distribution to the limited partners. (*Aetna Real Estate Associates, L.P., Area GP Corporation and Aetna/Area Corporation*, Delaware Chancery Court, New Castle County, Civil Action Nos. 15386-NC and 15393-NC).

Mr. Chimicles has also represented stockholders in suits arising from proposed mergers, acquisitions and hostile takeovers. For example, in *Garlands, Inc. Profit Sharing Plan et al. v. The Pillsbury Company, a Delaware corporation, et al*, State of Minnesota, County of Hennepin, Fourth Judicial District, Court File No. 88-17834, Mr. Chimicles was a lead counsel in a suit brought to compel Pillsbury's board of directors to negotiate in good faith with Grand Metropolitan and persuaded the court to enjoin a proposed spin-off of Burger King. Additionally, Mr. Chimicles has represented shareholders in obtaining enhanced consideration for their stock in takeovers or going private transactions. *Randee L. Shantzer, et al. v. Charter Medical Corp., et al.*, Court of Chancery, State of Delaware, New Castle County, Consolidated Civil Action No. 9530; *In Re Interstate Bakeries Corporation Shareholders Litigation*, Court of Chancery, State of Delaware, New Castle County, Consolidate Civil Action No. 9263.

In the antitrust field, Mr. Chimicles has acted as a lead and co-lead counsel in numerous class suits. He was co-lead counsel in the *Travel Agency Commission Antitrust Litigation*, (D. Minn.) in which the Firm represented the American Society of Travel Agents, an Alexandria, Virginia-based association that represents more than 9,000 travel agencies nationwide and worldwide in a suit against seven airlines for Section 1 (Sherman Act) violations involving commission cuts. The case was settled in late 1996 for more than \$80 million. Mr. Chimicles was also co-lead counsel in the *Insurance Antitrust Litigation*, Case No. C-88-1688 (N.D. Calif.) which charged commercial general liability insurers, domestic and London-based reinsurers and an insurance service organization with violations of the Sherman and Clayton Acts. The case was settled after an earlier dismissal was reversed by the Ninth Circuit, a decision affirmed by the U.S. Supreme Court. *In re Insurance Antitrust Litigation*, 938 F.2d 919 (9th Cir. 1991); *aff'd sub nom. Hartford Fire Insurance Co. v. California*, 113 S.Ct. 2891 (1993).

As an appellate advocate, Mr. Chimicles has handled cases which have protected the rights of victims of securities fraud in bankruptcy proceedings. In cases that he successfully argued before the Courts of Appeals for the Tenth and Eleventh Circuits, due process and notice principles were extended to protect securities purchasers filing claims in bankruptcy cases, *In re Standard Metals Corp.*, 817 F.2d 625 (10th Cir.), *rev'd in part on rehearing*, 839 F.2d 1383 (1987), and it was established that class proofs of claim are allowable in bankruptcy proceedings, *In re the Charter Company*, 876 F.2d 866 (11th Cir. 1989).

Pa.) and a lead counsel in the *Consumers Power Company Derivative Litigation*, Master File No. 84-CV-3788 AA (E.D. Mich.). Mr. Chimicles was co-lead counsel in the stockholder derivative suit arising from mismanagement claims against former officers of Philadelphia Electric Company involved in the closing of the Peach Bottom Nuclear Plant, a suit which Mr. Chimicles was authorized to bring by a PECO board of directors resolution. *In re Philadelphia Electric Company Derivative Litigation*, Case No. 7090, Court of Common Pleas, Philadelphia County, PA. That case resulted in a recovery of \$35 million for the utility company in November 1990.

Mr. Chimicles was also a co-lead counsel in a major environmental litigation, *Ashland Oil Spill Litigation*, Master File M-14670 (W.D. Pa.), involving the claims of residents and businesses for damage arising from the largest inland waterway oil spill in history that occurred on January 2, 1988 in Pittsburgh. In 1990, the case was settled upon creation of a claims fund of over \$30 million for the class. This and similar environmental suits in which the Firm was involved were the subject of a program, "Toxic Torts May Not Be Hazardous To Your Health: A Lawyer's Guide to Health Survival in Mass Tort Litigation," in which Mr. Chimicles was a principal speaker at this program which was held at the American Bar Association's 1989 Convention in Honolulu.

Pamela S. Tikellis

PAMELA S. TIKELLIS is a name partner and a member of the Firm's Executive Committee. Ms. Tikellis was born in Lawrence, Kansas and is a 1974 graduate of Manhattanville College, where she received a Bachelor of Arts, and a 1976 graduate of the Graduate Faculty of the New School for Social Research, where she received a Master's in Psychology. Ms. Tikellis graduated in 1982 from Widener University School of Law, where she was the Managing Editor of the Delaware Journal of Corporate Law. Upon graduating from law school, Ms. Tikellis served as a law clerk in the nationally recognized Court of Chancery in Wilmington, Delaware. Before joining the Firm, Ms. Tikellis engaged in significant shareholder litigation practice. In 1987, she opened the Delaware office of the Firm, where she is a resident and has continued to specialize in litigation, including complex transactional cases, both derivative and class, limited partnership litigation, antitrust and securities fraud litigation. She is AV rated by Martindale Hubbell.

Ms. Tikellis has prosecuted class and derivative suits of national importance for over 20 years. Notably, Ms. Tikellis has represented stockholders in numerous suits, primarily in the Court of Chancery in Wilmington, Delaware arising out of mergers and acquisitions and hostile takeovers. Ms. Tikellis served as Liaison Counsel in the litigation arising out of the Paramount/Viacom merger. She and her co-counsel represented Paramount stockholders in the successful challenge to the merger and were instrumental in eliciting the highest possible value to the stockholders. (Court of Chancery Civil Action No. 13117; Delaware Supreme Court No. 427, 1993). Similarly, Ms. Tikellis served as lead counsel in *Home Shopping Network Shareholders and Securities Litigation*, (C.A. No. 93-406; Court of Chancery, Cons. C.A. No. 12868; Delaware District Court C.A. No. 93-336 (MMS)) obtaining over \$15 million in settlement funds for the class of Home Shopping stockholders. More recently, as lead counsel, she actively prosecuted litigation on behalf of Cyprus Amax stockholders arising out of a proposed merger with Asarco and helped achieve a merger for Cyprus Amax with Phelps Dodge for greater consideration than was offered by Asarco. (*In re Cyprus Amax Shareholders Litigation*, Court of Chancery, C.A. No. 17383-NC). Ms. Tikellis also acted as one of lead counsel representing a Class of stockholders of First Interstate Bancorp prior to the acquisition of First Interstate by Wells Fargo & Co. The litigation resulted in Wells Fargo's acquisition of First Interstate for a substantially greater consideration than offered by the First Bank Systems in a battle for the company. (*First Interstate Bancorp Shareholders Litigation*, Cons. C.A. No. 14623).

Ms. Tikellis has actively prosecuted derivative litigation on behalf of companies and

their stockholders. *Sanders v. Wang*, DE Court of Chancery C.A. No. 16640, was a derivative suit brought on behalf of Computer Associates International, Inc. The suit alleged that the board exceeded its authority under the KESOP by awarding 9.5 million excess shares to the participants. Ms. Tikellis was instrumental in achieving the return from the defendants of over \$50 million in stock issued in violation of the Company's plan. This represented a recovery of substantially all of the relief sought by Plaintiffs. Reported decisions include 1998 Del. Ch. LEXIS 207 (Del. Ch. Nov 19, 1998); 1999 Del. Ch. LEXIS 203 (Del. Ch. Nov. 8, 1999); 2001 Del. Ch. LEXIS 82 (Del. Ch. May 24, 2001); 2001 Del. LEXIS 387 (Del. Aug. 22, 2001); 2001 Del. Ch. LEXIS 121 (Del. Ch. Sept. 18, 2001).

In the limited partnership arena, Ms. Tikellis along with partner Nicholas Chimicles has actively and successfully prosecuted several cases including *ML Lee Acquisition Fund L.P.* and *ML-Lee Acquisition Fund II L.P.* and *ML-Lee Acquisition Fund* (Retirement Accounts), (C.A. Nos. 92-60, 93-494, 94-422, and 95-724). The litigation resulted in a negotiated settlement exceeding \$30 million in cash and other benefits made available to investors in these funds. In another limited partnership matter, Ms. Tikellis along with partner Nicholas Chimicles was successful in representing limited partners of Aetna Real Estate Associates L.P. This settlement provided for the orderly liquidation of more than \$200 million in the partnership's real estate holdings and reduction of general partners' fees and the payment of a special cash distribution to the limited partners (*Aetna Real Estate Associates, L.P.*, Delaware Court of Chancery, C. A. Nos. 15386-NC and 15393-NC).

On the Appellate level, Ms. Tikellis has successfully handled cases before the Delaware Supreme Court resulting in victories for the shareholders and investors. Within the years of 2002 and 2003, Ms. Tikellis argued successfully three appeals in the Delaware Supreme Court. She argued *en banc* to the Delaware Supreme Court in *Saito v. McKesson Corporation*, Civil Action No. 18553. This books and records case was tried by Ms. Tikellis. While the Court of Chancery permitted production of certain documents, the Court imposed severe restrictions. The limitations imposed by the Court of Chancery were appealed successfully by the Plaintiff. Importantly, the documents ultimately received in the books and records *Saito* case resulted in the filing of an amended derivative complaint in the underlying case against McKesson and its directors. The derivative suit was recently settled and the settlement won approval by the Court of Chancery. The settlement provides for a \$30 million payment to the Company by the insurance carriers for the directors and the implementation of important corporate governance reforms.

Most recently, in a case argued by Ms. Tikellis, the Delaware Supreme Court overruled the Court of Chancery's determination that accorded the presumption of the business judgment rule to a board's merger recommendation even though 5 of the 7 directors were interested in the transaction. The Supreme Court held that the mere existence of a purportedly disinterested special committee (consisting of the other two board members) did not shield the remaining 5 members from liability. *Krasner*

v. Moffett, 826 A.2d 277 (Del. June 18, 2003). Importantly, the Court held that a full record needed to be developed to determine whether the entire fairness standard of review or the business judgment standard of review would apply in the case. The decision has broken new ground in the field of corporate litigation in Delaware. A settlement providing for a \$17.5 million fund for the Class was approved by the Court of Chancery on April 20, 2006.

Ms. Tikellis is admitted to practice before all Courts in the State of Delaware and the United States Court of Appeals for the Third Circuit. She is a member of the Delaware Bar Association and the American Bar Association (Litigation and Business Sections). Ms. Tikellis has served as a member of the Board of Bar Examiners of the Supreme Court of the State of Delaware since 1994. She also served as the Chair of the Delaware Bar Association Ethics Committee from 1989 to 1992, and is a director of the Historical Society of the Court of Chancery for the State of Delaware. In addition, Ms. Tikellis is President of the Delaware chapter of the International Network of Boutique Law Firms.

Ms. Tikellis has addressed numerous conferences including ALI-ABA, The Practising Law Institute, the American Bar Association, the Delaware Bar Association, and the Pennsylvania Bar Institution lecturing on corporate governance, merger and acquisitions, hostile takeovers, defense mechanisms and professional ethics. She has participated as a commentator on corporate governance as part of the Institute for Law and Economic Policy's program on Corporate Accountability and recently addressed institutional investors at the OPAL Conference regarding the various tools available in Delaware to protect shareholder rights. Ms. Tikellis is a member of the faculty of the 7th Annual Colorado Business Law Institute to be held in Vail, Colorado August 10-12, 2006. She will participate on a panel featuring the Honorable Phillip S. Figa of the United States District Court for the District of Colorado and the Honorable Leland P. Anderson of the Colorado State District Court addressing the topic of fiduciary duties.

Robert J. Kriner, Jr.

is a Partner in the Firm's Wilmington, Delaware office. He is admitted to practice before the Supreme Court of Delaware and the United States District Court for the District of Delaware. Mr. Kriner is a 1983 graduate of the University of Delaware with a degree in chemistry, and a 1988 graduate of the

Delaware Law School of Widener University, where he was managing editor of *The Delaware Journal of Corporate Law*. From 1988 to 1989, Mr. Kriner served as law clerk to the Honorable James L. Latchum, Senior Judge of the United States District Court for the District of Delaware. Following his clerkship and until joining the Firm, Mr. Kriner was an associate with a major Wilmington, Delaware law firm, practicing in the areas of corporate and general litigation.

Mr. Kriner's practice focuses primarily on business litigation on behalf of investors. Mr. Kriner has prosecuted actions, including class and derivative actions, on behalf of stockholders, limited partners and other investors with claims relating to mergers and acquisitions, hostile acquisition proposals, the enforcement of fiduciary duties, the election of directors, and the enforcement of statutory rights of investors such as the right to inspect books and records. Mr. Kriner prosecuted the *Home Shopping Network*, *McKesson* and *Moffett* matters along with Partner Pamela Tikellis. In addition, Mr. Kriner represented holders of Series B stock of Litton Industries in *Myers and Koehler v. Litton Industries, Inc., et al.*, C.A. No. 18947-NC in connection with the short form merger cash out of the Series B stock in 2001. The short form merger price was \$35 per share. Mr. Kriner negotiated a settlement of the claims which provided an additional \$1.84 per share to the Series B holders.

Mr. Kriner also was on the trial team in *Gelfman, et al. v. Weeden Investors, L.P., et al.*, C.A. No. 18519-NC, which was tried in the Delaware Court of Chancery and resulted in a judgment in favor of the limited partners represented by Mr. Kriner. In *Weeden*, the limited partners represented by Mr. Kriner asserted that dilution and a cash out of their interests at a book value of \$4.20 per Unit was unfair and in violation of the Partnership Agreement and the General Partner's fiduciary duties. After trial, the Court agreed, concluding the value of the interests was \$20.92 per Unit, 4.98 times that paid on the cash out plan, and awarded damages to the limited partners.

Mr. Kriner represented the public limited partners in *I.G. Holdings, Inc., et al. v. Hallwood Realty LLC, et al.*, C.A. No. 20283-NC, in an action challenging the defensive response of the General Partner of Hallwood Partners LP to a premium tender

offer by an affiliate of Carl Icahn in 2003. Mr. Kriner led the litigation on behalf of the public limited partners through expedited injunction proceedings and an expedited trial which led to the General Partner's agreement to auction and sell the Partnership. The sale of the Partnership resulted in a per unit price of \$136.70 to the limited partners, as compared to the trading range for the Units of \$60 - \$80 prior to the litigation.

Recently, Mr. Kriner was one of the co-lead counsel in actions brought on behalf of the public stockholders of Chiron Corporation challenging the buyout of Chiron by its 42% parent, Novartis AG. Novartis initially proposed a buyout at \$40 per share and thereafter entered into a merger agreement to acquire Chiron for \$45 per share. Mr. Kriner and his co-counsel moved preliminarily to enjoin the merger pending a proper process to maximize value and full disclosure to the stockholders. After completion of briefing on the injunction motion, an agreement in principle was reached for a settlement of this litigation which includes, among other things, an increase in the merger price to \$48 per share, or an aggregate increase of over \$330 million for the public stockholders.

Mr. Kriner is an associate member of the Board of Bar Examiners of the Supreme Court of the State of Delaware.

a Partner in the Firm's Haverford office, is admitted to practice before the United States Supreme Court, the Supreme Court of Pennsylvania, the United States District Courts for the Eastern and Western Districts of Pennsylvania and the Eastern District of Michigan, and the United States Court of Appeals for the

Third Circuit. He is a graduate of the Duke University School of Law (J.D. 1987) where he served as a senior editor of *Law & Contemporary Problems*. He is a 1984 *cum laude* graduate of the University of Pennsylvania, where he received a B.A. in political science. Mr. Schwartz previously practiced at Schnader, Harrison, Segal & Lewis, LLP, a major Philadelphia firm, concentrating in complex civil litigation.

Mr. Schwartz has actively prosecuted complex class actions in a wide variety of contexts. Most recently, he served as co-lead counsel for a certified national class of employees of Siemens Medical Solutions whose 1998 Incentive Compensation was retroactively reduced by 30% by Siemens. The Philadelphia Court of Common Pleas granted Plaintiffs' motion for summary judgment as to liability, and a few days before trial was scheduled to begin, Siemens agreed to pay Class members a net recovery of the full amount that their incentive compensation was reduced (approximately \$10.1 million), and pay all counsel fees and expenses in addition to the Class members' recovery.

Similarly, in connection with the withdrawal by Bayer of its anti-cholesterol drug Baycol, Mr. Schwartz represents various Health and Welfare Funds (including the Pennsylvania Employees Benefit Trust Fund, the Philadelphia Firefighters Union, and the American Federation of State, County and Municipal Workers District Council 47) and a certified national class of "third party payors" seeking damages for the sums paid to purchase Baycol for their members/insureds and to pay for the costs of switching their members/insureds from Baycol to another cholesterol-lowering drug. The Philadelphia Court of Common Pleas granted plaintiffs' motion for summary judgment as to liability; this is the first and only judgment that has been entered against Bayer anywhere in the United States in connection with the withdrawal of Baycol. The Court subsequently certified a national class, and the parties recently reached a settlement in which Bayer agreed to pay class members a net recovery that approximated the maximum damages (including pre-judgment interest) suffered by class members.

In the securities litigation field, as lead or co-lead counsel, Mr. Schwartz has obtained significant recoveries for defrauded investors. In *In Re Coin Fund Litigation*, (Superior Court of the State of California for the County of Los Angeles), Mr.

Schwartz served as plaintiffs' co-lead counsel and successfully obtained a settlement in excess of \$35 million on behalf of limited partners, which represented a 100% net recovery of their initial investments. Mr. Schwartz also served as Plaintiffs co-lead counsel in *In re Veritas Software Corp. Derivative Litigation* (Superior Court of the State of California for the County of Santa Clara). In early 2005, the Court approved a settlement in which Veritas agreed to extensive corporate governance changes, including requiring that 75% of the members of Veritas' Board of Directors would be independent directors, and that all reporting 16b officers and directors of the Company would be prohibited from engaging in any sales of Veritas' stock except pursuant to a newly-enacted 10b5- 1 Trading Plan. Mr. Schwartz currently serves as Plaintiffs' co-lead counsel in the *Pennexx Securities Litigation*, (E.D. Pa.) and liaison counsel in *In Re DVI Securities Litigation*, (E.D. Pa.).

In the consumer protection field, Mr. Schwartz served as plaintiffs' co-lead counsel in *Wolens, et al. v. American Airlines, Inc.* In that class action, plaintiffs alleged that American Airlines breached its contracts with members of its AAdvantage frequent flyer program when it retroactively increased the number of frequent flyer miles needed to claim certain frequent flyer miles travel awards. In a landmark decision, the United States Supreme Court held that plaintiffs' claims were not preempted by the Federal Aviation Act. 513 U.S. 219 (1995). The parties ultimately reached a settlement in which American agreed to provide Class members with mileage certificates that represent, for practical purposes, the full extent of class members' alleged damages, which the Court valued at between \$ 95.6 million to \$141.6 million. Mr. Schwartz also represented a national Class of owners of wood clad doors and windows manufactured by Marvin Windows that prematurely rotted due to a defective wood preservative. (Minn. 4th Judicial Dist.). Even though the windows were between 12 and 16 years old, the parties reached a national settlement providing Class members with the opportunity to obtain replacement windows with minimum net discounts of between 45 % and 58 %.

In the environmental field, Mr. Schwartz played a significant role as part of a large team of plaintiffs' counsel who prosecuted the claims of fisherman, property owners, and Native Americans who were injured as a result of the Exxon Valdez oil spill. The trial of that case resulted in a jury verdict in excess of \$5.3 billion. Appellate proceedings in the 9th Circuit Court of Appeals are still ongoing.

Mr. Schwartz has also developed an expertise in representing the interests of providers of medical services whose bills have been denied for payment by insurers. Mr. Schwartz represented a certified class of Pennsylvania physicians and chiropractors who were not paid by Nationwide Mutual Insurance Company for physical therapy/ physical medicine services provided to its insureds. Nationwide agreed to pay Class members approximately 130% of their bills. Mr. Schwartz is currently representing certified classes of medical providers seeking interest for overdue bills for treatment provided to insureds of SEPTA and Progressive Insurance Company.
